

**Issue champions** – someone who is working within the justice system and has expertise in the issue that the innovation is tackling

**Social innovators** – someone who bring new ideas to the table and turn them into solutions

**Potential funders** – to provide financial support

**Academic** – to support justice innovation with data and/or research for impact assessment

**Innovation deployers and mobilizers** – to scale the innovation

## **You will tell your group**

- Your name and where you are from (country and/or organization)
- Who are you in the ecosystem of stakeholders and why? (i.e. what do you do as that stakeholder)
- What justice issues are you currently tackling?
- What are your expectations of this event?

# **“SPEED DATING”**

1. 3 rounds of dates in total
2. 3 minutes to chat with your “dates” in each round.

In the first round,  
you may find a date in your group.

In the second round,  
you may expand your search and find  
a date in your neighboring group.

In third round,

you may find anyone to date, maybe someone whom you had made eye contact with this morning and had not had a chance to speak to!
