Participant Perspectives

- "Very energizing and validating. Supporting work on the ground is difficult. This kind of recognition can give the energy to keep going."

— *Representative from Nazdeek, 2019 finalist*

- "All of the organizations are really intertwined and so for me, a community of practice has been extremely valuable."

- *Jamie Sgarro, CEO of InReach, 2022 winner*

Participant Perspectives

- “Participating in the World Justice Challenge has provided our organization and project the visibility to amplify our work and network with other global justice experts.” –

*Representative from TransparencIT,
2022 Winner*
